Areas of Expertise

Vladislav Zabrodin is the Head of the CIS practice.

Over the last 20 years of practice Vladislav has been providing legal support to foreign and Russian large-scale projects with particular focus on investments, project financing, real estate and construction, corporate law/M&A, health care, agriculture and some other.

Since 2015 Vladislav Zabrodin has implemented over 70 large-scale projects in real estate and over 100 large projects in corporate law/M&A. Last year he lent his experience to complete over 20 projects in project financing, which has been the area of particular interest to him recently, and acquired over 90 new clients for the business.

Vladislav sits as a board member in a number of prominent companies.

Vladislav Zabrodin is the Chairman of the International Council of Shopping Centers (ICSC) Russian Liaison Committee and a member of the International Bar Association (IBA) and American Bar Association (ABA).

International ratings such as Chambers & Partners and Legal 500 describe Vladislav as one of the eminent lawyers in Russia.
